Women's Fellowship Bible Study:

Meets the first and third Monday of each month at 10:00 am. The ladies are currently studying "The Women of the Bible." For more information contact Debi Bryant or Bre Cruz.

Silent Praise:

Learn to worship the Lord silently through singing in sign language. This beautiful art form known as "silent praise" is taught and led by Pastor Miguel and the group meets on Wednesday evenings to practice. This Silent Praise Team will perform on occasion on Sunday mornings and special services. No experience is necessary, please see Pastor Miguel if interested in joining.

Bible-in-a-Year Conversation Group:

Starting on January 1, 2010 Pastor Miguel and Jason Fulkerson will begin a conversation group for people interested in reading through the Bible in a year. We will follow the same reading plan & learn to read in such a way that we experience a transformational encounter with God. The group will gather regularly to discuss how God is shaping, challenging and encouraging us through the Word.

Coming Soon:

Bible Storytelling Troupe:

Pastor Miguel would like to start a troupe that will memorize biblical texts together and perform them on Sundays. This is a relational and experiential way of immersing ourselves in Scripture and learning to hear from God's Word together. Participants will not be required to learn the whole passage, but only their lines. If you desire to know God's Word more, this is for you!
